

RE. Sister Christine.

My name is Jack H Potts I am on death row now for nearly 25 years. I was baptized and confirmed in 1977 on death row by Bishop Edmund Hessard Savannah Diocese and Fr. Kulwicki who was our prison chaplain. Since 1977 I have had the opportunity given to me to help many many other men be baptized & confirmed. It was not me who takes credit at all, it is the Jesus in me... I am but a sinner saved by the grace of God.. Saved by Our Lord Jesus death and resurrection. And helped and saved by Our lady who helped Jesus her son, She was at the foot of His cross on Calvary so she knows great suffering, my pitiful bit of pain & suffering is nothing compared to what Jesus and many suffered. There is no comparison. Sr. Christine was praying constantly for me all through these years and at the time I did not know of her holy prayers but I was reaping the benefits and thanks be to God for Sr. Christine.. My days now are filled with prayers and Sr. Christine now is closer to me and more available than ever before. Many many prayers have been answered through Sr. Christine. Each day I get up at 5AM, Divine Office, Scripture, Rosary, and meditation on my readings. and each time I pray, whether it be at Angelus or Divine Mercy

At 3:pm each day, or Evening Prayer or Divine Office or night prayer, Sr. Christine is close and I ask her to pray with me and for me. I often ask her advice and think to myself - "Now what would Sr. Christine do in this situation or prayer request"? All those years Sr. was praying for me have come to light, and now its been life row instead of death row for so many years.

Little did I know that one day I would be her brother in Carmel, She my sister in Carmel but God in His mysterious way has a way of letting things simply to fall in place. I began my stay on life row in 1974... All the men who were with me (13 in all) in 1974 are now dead, freed to society or in regular prison. There are now 121 men on life row. I am still working with more & more, thanks be to God, trying to lead them to Jesus and Mary who will lead them to our Father, The Father, The Son and The Holy Spirit. Our Lady Mary most holy gently takes each man and guides him to Jesus just as 'she' did me. And Yes!! Sr. Christine helps me, now even more - for I call on her to help me daily with the converts.

I have my morning talks with her  
in prayer, morning, noon & night.

I am now 55 years old, and  
I have one brother (older) and one  
sister (older) I do not get visits  
but I understand they have their own  
families and lives to live. My dear  
mother went home to the Lord this  
month Feb 7, 1999 R.I.P. And I  
am confident that Sr. Christine  
led her gently to Jesus, And where  
Jesus is, there we find Mary.

So she is in good hands..

As I was reading The Works of St.  
John of the Cross, studying and  
especially The Story of a soul, I could  
just see Sr. Christine smiling..

And when I pray I ask her to  
please keep praying for me, And I  
thank her for all answered prayers  
even the ones I didn't know about..

I so look toward to be united in  
prayer with her and I am one of the  
miracles of life, I am one of Her miracles  
of life. And I will continue to be just  
that please God. And its so wonderful  
to be able to pray to her for her  
help! And help me she has..

Most recently I had asked her to help my dear mother. And my mother had a tumor, brain tumor so large that it filled the entire side of her head inside. I had asked Sr. Christine to pray that my mother not have pain to ease her pain and for many many days before my mothers death, The doctors told my family, "If you want a miracle, if you are looking for a miracle, here it is, Your mother has this large tumor, but no pain at all, And that's how she went to the Lord, simply went to sleep and did not hurt. Praise be Jesus Christ.

So yes!! Again I had asked a special prayer and Sr. Christine provided... How good and holy my Sister in Carmel has been, and still is.. as I write.

In Jesus name & Josephs  
love,

Jack & Potts
